Here's a thoughtful, probing exploration of why Christians get stuck in the place of complacency, dryness, and tedium -- and how to move on to new levels of spiritual passion! Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm -- only to get bogged down in a "borderland" -- an in-between space beyond the "old life" but short of the abundant, adventurous existence promised by Jesus. Citing Jonah, he examines the problem of "borderland living" -- where doubt, disappointment, guilt, and wonderlessness keep people in a quagmire of mediocrity -- then offers solutions ... effective ways to get unstuck and move into a bold, unpredictable, exhilarating walk with Christ. Inspired writing! Thanks to faster browsers, better web standards support, and more powerful devices, the web now defines the next generation of user interfaces that are fun, practical, fluid, and memorable. The key? Animation. But learning how to create animations is hard, and existing learning material doesn't explain the context of the UI problem that animations are trying to solve. That's where this book comes in. You'll gain a solid technical understanding of how to create awesome animations using CSS and learn how to implement common UI patterns, using practical examples that rely on animations to solve a core problem. Frontend web developers and designers will not only learn important technical details, but also how to apply them to solve real-world problems. Create animations found in common user interface implementations, such as bounce after scrolling, expanding search boxes, and content sliders Learn the technical details of working with CSS animations and transitions Use CSS transforms to very animate an element's position, scale, and orientation Understand the importance of easing How perceptive are dogs to the good (or bad) behaviour of humans? How do they differ from breed to breed? Are some left handed and some right-handed? How can you tell if your pet is lonely? And just how similar is your dog to a wolf? In WHAT YOUR DOG IS THINKING the researcher, biologist and author Bo Söderström weaves together fascinating facts we're only just learning about man's best friends, with highly practical tips to help us better understand and care for the animals in our life. Research on dog behaviour and the complicated psychology which influences their responses and needs has formally exploded in the 21st century, with fascinating new knowledge gained every day. Bo Söderström has an iron grip on all the cutting edge research to match the most determined dog's hold on his favourite toy, and here he presents the most interesting results in an easy-to-understand way. Learn about the interaction between man and beast, understand your dog's mysterious signals, immerse yourself in those earliest moments, and gain the ability to stare into your animal's eyes and think 'I get you'. #1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise. Why We Can't Sleep meets Furiously Happy in this hilarious, heartfelt memoir about one woman's midlife obsession with Benedict Cumberbatch, and the liberating power of reclaiming our passions as we age, whatever they may be. Tabitha Carvan was a new mother, at home with two young children, when she fell for the actor Benedict Cumberbatch. You know the guy: strange name, alien face, made Sherlock so sexy that it became one of the most streamed shows in the world? The force of her fixation took everyone—especially Carvan herself—by surprise. But what she slowly realized was that her preoccupation was not about Benedict Cumberbatch at all, as dashing as he might be. It was about finally feeling passionate about something, anything, again at a point in her life when she had lost touch with her own identity and sense of self. In This Is Not a Book About Benedict Cumberbatch, Carvan explores what happens to women's desires after we leave adolescence...and why the space in our lives for pure, unadulterated joy is squeezed ever smaller as we age. She shines a light onto the hidden corners of fandom, from the passion of the online communities to the profound real-world connections forged between Cumberbatch devotees. But more importantly, she asks: what happens if we simply decide to follow our interests like we used to—unabashedly, audaciously, shamelessly? After all, Carvan realizes, there's true, untapped power in finding your “thing” (even if that thing happens to be a British-born Marvel superhero) and loving it like your life depends on it. Higher Is Calling By: Maxwell Adekoje In a time of uncertainty due to the global epidemic, inspiration becomes the mind's health. Hope is needed to keep people moving forward. Who we need to become should occur before we become to outlast the crisis. Crisis is temporary and seasonal. Higher Is Calling is not just an inspirational book but wisdom and antidote to excel in any adversity. A gem can't be refined without friction, nor a man perfected without crisis. This book covers a true-life story about how author Maxwell Adekoje went in crisis from nothing to a successful person immersing in the power of gratitude. Lay persons in the church might be forgiven for imagining that the book of Revelation cannot be understood. There are many different interpretive schemes proposed, and hundreds of variations within those schemes. But the reader who is willing to spend the time will find real treasures in the study of this book, and Paul Himes has provided an excellent guide to some of the most important passages, as he looks at the messages to the seven churches, and even more importantly at the One who is sending those messages, based on the vision in the first chapter and the ways in which the churches are addressed. Dr. Himes provides key background information and then takes a serious look at the details of the text, but he does so in a way that is clear and that points the reader to ways of approaching the text more seriously on his or her own. For those who want to follow the trail further, the footnotes are extensive. Since, as the author tells us on page 5, “... one cannot begin to grapple with the eschatology of Revelation until one has submitted to the Christology of Revelation” this book provides an excellent point of entry for someone who wants to take a new and refreshing look at this important book. Here one can study the Christ of revelation (Christology), the church He ordained (ecclesiology), and go from there to the purpose and destination He has for that church (eschatology). Every once in a while a truth-telling book appears out of nowhere, a book that crystallizes our darkest suspicions and makes us mad as hell—while we're laughing like fiends. A book like this one. Your Call Is Important to Us is a manifesto for anyone who's sick and tired of the twenty-first century's tidal wave of bullshit. Taking no prisoners, author Laura Penny dissects—no, disembowels—the culture of globalized, super-sized, consumerized b.s. Dating the renaissance of bullshit to wartime propaganda, Penny skewers the “corporate bafflelegab,” scripted, question-proof political events, toxic faux foodstuffs, and miracle pills that clutter our lives. She spares no one and nothing: not Wal-Mart, where “every rinky-dink chunk of mass-produced bric-a-brac is manufactured expressly for you”; not Bush's White House, with its “wallpaper of phony populist sloganeering”; and not the vast pharmaceutical industry, with its “gateway prescription drugs.” Penny reveals that prisons are the hot new thing in call centers (the federal prison industry bills itself as “the best-kept secret in outsourcing”) and that the Public Relations Society of America has a Code of Ethics Pledge (who knew?). Finally, with devastating precision, she demonstrates how our “all-you-can-eat buffet of phoniness” not only alienates us from each other but degrades public discourse, breeds apathy, and makes us just plain stupid. Your Call Is Important to Us introduces a fearless and utterly disarming new voice in social criticism. It's an island of clarity in an ocean of ordure. Laura Penny on Bullshit: There is so much bullshit that one hardly knows where to begin. The platitudinous pabulum that passes for stirring political rhetoric is bullshit. . . . The committee-crafted persona and the focus-grouped fad and the rule of the polls are straight-up bullshit. The disease hysteria du jour is bullshit, and so is the latest miracle pill. The new product that will change your life is probably just more cheap, plastic bullshit. “Your call is important to us” has been chosen from a very deep reservoir of bullshit phrases for the title of this book because it best exemplifies the properties native to bullshit. It tries to slather some nice on the result of a simple ratio: your time versus some company's dough. Like most bullshit, the more times you hear it, the bullshittier it gets. This is why bullshit is best served quickly, with many visuals, in mass quantities, with no questions from the floor. “I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you.” Too often, these words of Jesus from John 17:20-21 seem like an unreachable ideal. But in Your Church Is Too Small, John Armstrong shows that Jesus' vision of Christian unity is for all God's people across social, cultural, racial, and denominational lines. “With attention to his own pilgrimage and growth in ecclesial awareness, John Armstrong explores here the evangelical heart and ecumenical breadth of churchly Christianity. I am encouraged by his explorations and commend this study to all believers who pray and labor for the unity for which our Savior prayed.” – Timothy George, senior editor, Christianity Today. “Dr. Armstrong's irenic approach should make it easy for Christians—whether Catholic, Orthodox, or Protestant—to engage the challenging thesis of the book, while recognizing that there remain points of doctrine between them which will require further clarification. Anyone concerned about

either evangelism or Christian unity should read this book, and take seriously its call for both mission and ecumenism.” – Fr. Thomas A. Baima, Provost, University of Saint Mary of the Lake

John Armstrong is one of those Evangelical theologians—may their tribe increase and the valley abound with their tents—who know that full obedience to Christ embraces the historical transmission through which we know him. This book refuses to scale down the bearer of that tradition—the historical church, that is—or reduce the authority of its voice. – Fr. Patrick Henry Reardon, senior editor, Touchstone “It’s a must for anyone who has grown weary with Christian divisiveness and schism and longs to discover ways of strengthening the bonds that unite us in the Spirit of Christ.”– Chuck Colson Your best life is written in the stars You may know what astrology is – but what does it actually do? Why is it so effective, and how can it be used as a tool for manifestation? These are the questions Aliza Kelly answers in This Is Your Destiny. Elevating astrology from horoscopes to self-actualization, Aliza goes beyond the zodiac, illuminating the universe within. As a rising star in modern spirituality, Aliza shares the wisdom of her extensive private practice, synthesizing thousands of one-on-one client sessions, intimate stories from her personal journey, and esoteric mystical knowledge to inspire readers through hands-on exercises, radical techniques, and groundbreaking insight. Whether you’re a seasoned stargazer or just beginning your cosmic journey, This Is Your Destiny will invigorate you through timeless insight delivered with soul, humor, and compassion. Are you suffering? Do you look at your symptoms as mortal enemies that need to be eradicated and destroyed? Are you a seeker? Have you spent countless hours looking for solutions to your ills? Are you growing more frustrated and angry? Do you take it out on yourself subtly or overtly? Are you seeking and not finding? Maybe it isn’t your fault. Maybe you are looking in all the wrong places. See what you are not, to know what you are! Embedded in the soul and renowned for its versatility, the mind interfaces between the spirit and the body and, in the process, determines the outcome of the twosome. It operates optimally on divinely gifted keys, which unlocks its abounding treasures. However, by reason of its abuse, these keys can be lost, misplaced, or stolen. The ensuing consequences are misery, chaos, and finally, death. Its discovery and right application births life anew and leads to the recovery for divine exploits in congruence with life’s purpose. Ostensibly written using a very practical approach, Your Mind Is a Treasure! captures the place of the mind in the quest for self-discovery and workability in the universal space. It targets using the instrumentality of the mind to achieve quintessential excellence based on biblical principles. Also, it expounds on the potency of the mind and its pivotal essence in the attainment and sustenance of good success in life. It is a book that speaks to your mind. This book is a great tool for women to gain a better understanding of themselves. It’s a powerful and eye opening piece of work. You deserve to be in a good place every day of your life. No one can take that from you. It’s your place, your life and your house. Enjoy it! Encourages aspiring writers to take their first tentative steps, with a six-month program that offers exercises designed to sharpen a writer’s command of novel-length storytelling. Is It Safe? PROTECTING YOUR COMPUTER, YOUR BUSINESS, AND YOURSELF ONLINE IDENTITY THEFT. DATA THEFT. INTERNET FRAUD. ONLINE SURVEILLANCE. EMAIL SCAMS. Hacks, attacks, and viruses. The Internet is a dangerous place. In years past, you could protect your computer from malicious activity by installing an antivirus program and activating a firewall utility. Unfortunately, that’s no longer good enough; the Internet has become a much darker place, plagued not only by rogue software but also by dangerous criminals and shadowy government agencies. Is It Safe? addresses the new generation of security threat. It presents information about each type of threat and then discusses ways to minimize and recover from those threats. Is It Safe? differs from other security books by focusing more on the social aspects of online security than purely the technical aspects. Yes, this book still covers topics such as antivirus programs and spam blockers, but it recognizes that today’s online security issues are more behavioral in nature—phishing schemes, email scams, and the like. Are you being scammed? Learn how to spot the newest and most insidious computer security threats—fraudulent retailers, eBay scammers, online con artists, and the like. Is your identity safe? Avoid being one of the nine million Americans each year who have their identities stolen. Today’s real Internet threats aren’t viruses and spam. Today’s real threat are thieves who steal your identity, rack up thousands on your credit card, open businesses under your name, commit crimes, and forever damage your reputation! Is Big Brother watching? Get the scoop on online tracking and surveillance. We examine just who might be tracking your online activities and why. Is your employer watching you? How to tell when you’re being monitored; and how to determine what is acceptable and what isn’t. Michael Miller has written more than 80 nonfiction books over the past two decades. His best-selling books include Que’s YouTube 4 You, Googlepedia: The Ultimate Google Resource, iPodpedia: The Ultimate iPod and iTunes Resource, and Absolute Beginner’s Guide to Computer Basics. He has established a reputation for clearly explaining technical topics to nontechnical readers and for offering useful real-world advice about complicated topics. New York Times bestselling author Dr. Daniel Amen equips you with powerful weapons to battle the inner dragons that are breathing fire on your brain, driving unhealthy behaviors, and robbing you of joy and contentment. Your brain is always listening and responding to these hidden influences and unless you recognize and deal with them, they can steal your happiness, spoil your relationships, and sabotage your health. This book will teach you to tame the: Dragons from the Past that ignite your most painful emotions; Negative Thought Dragons that attack you, fueling anxiety and depression; They and Them Dragons, people in your life whose own dragons do battle with yours; Bad Habit Dragons that increase the chances you’ll be overweight, overwhelmed, and an underachiever; Addicted Dragons that make you lose control of your health, wealth, and relationships; and Scheming Dragons, advertisers and social media sites that steal your attention. Dr. Daniel Amen shows you how to recognize harmful dragons and gives you the weapons to vanquish them. With these practical tools, you can stop feeling sad, mad, nervous, or out of control and start being happier, calmer, and more in control of your own destiny. Your God is too somber if your posture before him lacks a spirit of joy and a commitment to rejoice as much as possible. While life has its sadness and tragedy, the good news of Jesus Christ is that God’s kingdom has won; and the suffering we face for a time is shorter compared with the endless delight that God promises. So, “Rejoice in the Lord always; again I will say, Rejoice!” (Phil 4:4). Your God is too somber if you embrace a theology of tears, rather than a theology of laughter. Of course, salvation and Christ’s sacrifice are serious business, and we should engage in moments of penitential reflection, confession, and atonement. But all of this so we can shake off the shackles of our shortcomings and celebrate God fully and joyfully. Your God is too somber if you fail to see the humor in the Bible: the calls to joy, paradox, irony, burlesque, play, and wordplay. God laughs, sometimes with us, sometimes at us, and Jesus’s humor is evident in parables and sayings, with the goal of teaching us the truth. Is your God too somber? This book aims to help you answer that question. Whether you are a hacker or a scratch golfer, this book will be difficult to put down once you begin reading it. Created by a former award-winning sports editor with over 37 years of experience as a golfer, it addresses etiquette, cheating, golf gadgets and many other facets of what is supposed to be a gentleman’s game. If you are a smoker or ride in a cart when you play golf, this book might offend you. It might also change your life, however, when you read the author’s rationale for his attempts to revolutionize the game of golf. This book is designed for the children of God so that it may lead them back to the basics. This is the power of the Lord’s Prayer because it has been pushed aside because of other beliefs. Now, just look at our USA. It is in a mess because we stopped chasing God’s prayer and started chasing things, inventions and money that have caused God’s sheep to leave the fold and follow the heathen ways worldly. I was led to write these lessons and turn them into this book. I hope it will help you. God Bless you. Talk with you soon it is another book on the way Sheep of God look for the Power of it. "The Messenger of God. 04/ 20/ 09 “This Is Your Brain on Joy is a thoughtful, practical, life-changing book that will help you take advantage of the latest neuroscience research—combined with biblical insights—to bring more joy and love into your life.” —from the Foreword by Daniel G. Amen, MD Author and speaker for the PBS special Change Your Brain, Change Your Life What does your brain have to do with experiencing joy? A lot more than most of us realize. In this breakthrough book, Dr. Earl Henslin reveals how the study of brain imaging turned his practice of psychotherapy upside down—with remarkably positive results. He shares answers to puzzling questions, such as Why isn’t my faith in God enough to erase my blue moods? Why haven’t I been able to conquer my anger? Pray away my fear and worry? Why can’t I find freedom from secret obsessions and addictions? Using the Brain System Checklist, Dr. Henslin explains what happens to the 5 Mood Centers in the brain when any of those areas are out of balance. This is great news, especially for those tortured by the fear that something is fundamentally wrong with them when the problem actually lies between their ears. Read this practical, easy-to-understand, and often entertaining book, and you’ll know exactly how to nourish your mind, balance your brain, and help others do the same. After all, the capacity for joy is a terrible thing to waste. Do you find it difficult to share your faith with acquaintances who have tuned out the gospel message because of unpleasant past experiences with religious goofballs or church legalism? This collection of brief articles about God’s love for us is conversationally written to introduce skeptics, agnostics, and the un-churched to the concept of a saving, personal relationship with Jesus Christ. ""Jesus Is Trying To Get Your Attention"" makes a great gift for anyone who hungers for the truth yet is turned off by organized religion and ""church-ianity."" "In When Your Life Is On Fire Erik Kolbell listens, provokes, and most of all, shares with us the enduring lessons and insights of life and faith as realized by a diverse population of thoughtful people. It’s a town hall of the soul." -- Tom Brokaw If your life were on fire, what would be the one thing you save? Progressive minister and psychotherapist Erik Kolbell asks that question of 13 remarkable and unique individuals. The answers are provided by such notable people as journalist Jane Pauley, actor Alan Alda, and jazz impresario Regina Carter, as well as Brenda Berkman, a New York City firefighter who responded to the World Trade Center attacks of 9/11, and Don Lange, a U.S. Veteran severely injured in the Iraq war. The insights of these and other ordinary people put into extraordinary situations, will help all of us consider what it is that we value most in life. In this now-classic, straightforward approach to childraising, Nancy Samalin shows parents how to set clear, concise guidelines to ensure positive and constructive discipline. Based on her extensive work with parents and children, she offers the most recent and invaluable advice on: Avoiding daily battles Using alternatives to punishment Dealing with anger Learning to let go Diminishing sibling rivalries and much, much more. Filled with practical solutions to everyday problems and thoughtful, useful information on opening up communication between the generations, Loving Your Child Is Not Enough will help parents to truly enjoy their child’s growing years. Nancy Samalin is a contributing editor to Parents magazine with a regular column on discipline. Available on audiocassette from Penguin HighBridge Audio Does she lie down while eating? Definitely a Taurus. Does he treat your house like his castle? Must be a Leo! Read about your pet’s astrological sign and discover how much better you’ll understand and enjoy your cat or dog. If you don’t know your pet’s birth date, veterinarian Dr. Donald Wolf includes an easy-to-use checklist that lets you accurately pinpoint your pet’s sign. Many of society’s ills can be traced back to fatherlessness. Unfortunately we live in a mostly fatherless generation. Fathers are very critical in any person’s life. We did not choose our biological father, we can choose our spiritual father but most of all we can and should choose our heavenly Father. If we do not choose God the Father we automatically choose Satan as our father: the father of lies. There are no substitutes for the biological father nor for God the Father. The physical presence of the biological father is required for anyone to mature properly and so is the presence of God the Father required to mature spiritually. 'Who is your Father?' will help you to make that choice. ALTHOUGH WE ARE NOT FULLY MASTERS OF OUR TIME, WHAT

CAN CHANGE OUR FUTURE IS OUR CAPACITY TO ACT INSTEAD OF COMPLAIN. Unfortunately, people can't take the reins of their own routine. They are constantly overloaded with work, with no time left for other areas of life, and, as a result, their existence is usually far from what they would like it to be. They feel unmotivated, exhausted, and have trouble sleeping—a comprehensive unhappiness. Yet, instead of moving towards change, they continuously complain about anything and everything. How can we transform this reality and live a successful, fulfilling, fun, and worthwhile life? In *How Much is Your Time Worth?*, Fábio Ennor Fernandes shares valuable tools, ideas, and positive provocations that will help you improve your daily life. Here you will find inspirations to balance all areas of life—business and experiences; money and peace; time management; your own well-being, that of your family and of those around you—focusing on aspects such as self-respect, sincerity with yourself, and above all, a positive attitude and good humor. In this book, you will learn how to: Define what you want and what you don't want; Consider other perspectives; Always do your best; Appreciate the power of togetherness; Live your life with In today's über-competitive climate, you can't just wing it when you graduate and count on finding a great job (or a great job finding you). It pays to figure out your interests early, so you can decide what additional schooling—and tuition debt—makes sense for your chosen field. In *What Color Is Your Parachute? For Teens*, career authorities Carol Christen and Richard N. Bolles not only help you plan for these decisions, but also help you define the unique passions that will lead you to your dream job. With new chapters on social media and sustainable jobs—along with all-new profiles of twentysomethings who've found work in solar energy, magazine writing, and more—this new edition has all the nitty-gritty details you need to get started now. Most importantly, it's packed with the big-picture advice that will set you up to land the job that's perfect for who you are—and who you want to be. From the Trade Paperback edition. In her passion for women's ministry, the author has found that too many women of God are unaware of the elevation that comes with being a child of the Most High God. The Bible paints a delightful picture of the woman God has crowned. Through the journey in this book, "Woman, Where is Your Crown," the author explores the depth of love God has for each woman of God who has been crowned with blessing after blessing, lifting her high above the vicissitudes of this life. There are many challenges in a relationship, but one that changes the entire dynamic is infidelity. When one partner is unfaithful, it is difficult to describe the pain and betrayal that come along with the loss of trust. All too often, cheaters are discovered completely by accident. However, there are a few red flags that point toward infidelity in a relationship. See if your partner is guilty of any of these things in this book. Discusses how a dog's body works, how it perceives the world, how it communicates and responds, and dogs' health concerns. Includes related activities and experiments. Discusses what signs to look for to determine when a dog needs to have veterinary care, covering abnormal behaviors in every part of the body. Includes bibliographical references and index. Tells the story of a young Jewish girl who survived in Nazi occupied France posing as a French gentile. In this helpful guide by Vicki Tiede, women are gently reminded to turn toward God and away from despair. When *Your Husband Is Addicted to Pornography* addresses the struggles women experience when they are shattered, betrayed, and alone. Writing from personal experience, Vicki Tiede offers daily readings and questions on six important topics: hope, surrender, trust, identity, brokenness, and forgiveness. She helps readers grow in healing and hope in the midst of marriage trials. By describing one of the "hidden sins" in our churches and culture that destroys marriages, the author offers biblical advice on a workable plan of action. She shares the stories of twenty-five women who have known this deep anguish, and she helps bridge the gap in the healing journey so many other materials leave out. She comforts readers and refreshingly points hurt women toward the one who calms the raging seas. Allowing God to meet your greatest needs is a long and learned process, but he promises to help you every step of the way. Questions and daily readings are suitable for both individuals and small groups. Gerald the elephant discovers that there is something worse than a bird on your head-- two birds on your head! Piggie will try to help her best friend. A straightforward and inspiring resource for parents searching for insight into their child's psychic experiences. In *Is Your Child Psychic?*, paranormal researchers Dr. Alex Tanous and Katherine Fair Donnelly suggest that people of all ages, including children, have psychic abilities. A comprehensive guide to understanding and developing a child's natural psychic perception, this book also shows parents how they can use these skills to bolster their child's creativity, problem-solving skills, and self-confidence. Helpful and thought-provoking, *Is Your Child Psychic?* addresses such topics as: imaginary playmates "out-of-body" experiences psychic dreams left and right brain skills and how they impact psychic awareness understanding the differences between coincidence and real psychic occurrence how meditation can strengthen psychic ability the dangers of suppressing a child's psychic talents With more than fifty pages of fun game-like tests that will help parents to detect and develop their child's psychic abilities, *Is Your Child Psychic?* is an invaluable resource for parents. In *Our God and Your God Is One*, Zagloul Kadah discusses the common origins of Judaism, Christianity, and Islam-how the religions overlap and how they conflict with one another. Kadah presents compelling evidence for ties linking all three major, monotheistic religions.
