"An engrossing tale [that] provides plenty of food for thought" (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as "happily ever after." *The Course of Love* explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As *The New York Times* says, "The Course of Love is a return to the form that made Mr. de Botton's name in the mid-1990s....love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page." This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, *The Course of Love* is a provocative and life-affirming novel for everyone who believes in love. "There's no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works" (*Chicago Tribune*). This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. *A General Theory of Love* demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy. ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (*Newsday*). After facing heartbreak in their previous relationships, both Naomi and Amos vowed never to love again. In this first installment of *The Amish Inn* series from bestselling novelist Beth Wiseman, true love takes root in the deepest of wounds. Sweet Naomi Byler cooks meals for the guests at *The Peony Inn*, where Amish sisters and owners of the inn Esther and Lizzie love her like a granddaughter. She's as happy there as a young woman can be, considering that her fiancé, Thomas, has left her to court someone else. She knows she'll get over the love of her life in due time, but she is beginning to assume marriage will never be a part of her future. Amos Lantz and his mother are guests at the inn, visiting town for a cousin's wedding. Attending a wedding is the last thing Amos wants to do since his own fiancée, Sarah, died tragically just a year ago. Naomi and Amos understand each other's grief and quickly become friends when they discover their mutual love of painting. As the two begin to paint through their sadness together, Esther and Lizzie play matchmaker—a risky move with the potential to backfire. And when Thomas makes an unexpected return intending to win Naomi back, she realizes she no longer knows her own heart. Sweet, uplifting Amish romance *The first installment of The Amish Inn Novels—Book 1: A Picture of Love; Book 2: An Unlikely Match; Book 3: A Season of Change* Book length: 85,000 words Includes discussion questions for book clubs Love sucks, and Philo Harris is going to do something about it. After a particularly bad drunken decision gives him the ability to see the Cupidae, the creatures that make love work, Philo ends up going to war with love itself. With a chainsaw. Collects *DEATH OF LOVE #1-5* The spiritual classic celebrates the heart of western mysticism and its poetry while revealing a message about God's intimate and enabling love. A charged, hypnotic debut novel about a boy's life-changing summer in rural Pakistan: a story of fathers, sons, and the consequences of desire. At age sixteen, Fahad hopes to spend the summer with his mother in London. His father, Rafik, has other plans: hauling his son to Abad, the family's feudal estate in upcountry, Pakistan. Rafik wants to toughen up his sensitive boy, to teach him about power, duty, family—to make him a man. He enlists Ali, a local teenager, in this project, hoping his presence will prove instructive. Instead, over the course of one hot, indolent season, attraction blooms between the two boys, and Fahad finds himself seduced by the wildness of the land and its inhabitants: the people, who revere and revile his father in turn; cousin Mousey, who lives alone with a man he calls his manager; and most of all, Ali, who threatens to unearth all that is hidden. Decades later, Fahad is living abroad when he receives a call from his mother summoning him home. His return will force him to face the past. Taymour Soomro's *Other Names for Love* is a tale of masculinity, inheritance, and desire set against the backdrop of a country's troubled history, told with uncommon urgency and beauty. • Practical and inspiring ways to practice a Jesus-centered life • Foreword by Michael B. Curry, Presiding Bishop of The Episcopal Church So often we think of the Christian faith as an obligation or as a set of beliefs that we must hold. With this outlook, we can lose sight of what is most important: the invitation to experience a loving, personal relationship with God. It's a relationship we can trust, where we can find refuge and solid ground upon which to stand. *The Way of Love* set forth by the Episcopal Church's Presiding Bishop Michael Bruce Curry is the journey of a lifetime. It's a way of knowing God, receiving and sharing Jesus' love, and being a blessing to the world. Mariann Edgar Budde shares her thoughts on how the reader can come to know--to receive--Jesus more deeply in practicing the Way of Love. Through the seven practices that have been put before us: to turn, to learn, to pray and to worship, to bless, to go, and to rest, she will share biblical stories, wisdom from the Christian tradition, and her own personal stories of spiritual growth. Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable magnitude, referred to by the Cathars of medieval France as *The Book of Love*... Fresh from her successful search for the long-hidden scrolls written by Mary Magdalene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the *Book of Love*. But just as there were those who would stop at nothing to seize and suppress the *Book of Love* seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, *The Book of Love* is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art, architecture and history, until a potentially fatal encounter reveals the *Book of Love* to her -- and to us. **NEW YORK TIMES BESTSELLER** • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (*The Washington Post*) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the

serious.”—USA Today ONE OF THE TEN BEST BOOKS OF THE YEAR: Publishers Weekly ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, Entertainment Weekly, NPR, The Washington Post, The Boston Globe, USA Today, Real Simple, Prospect (UK), She Reads, Kirkus Reviews Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer’s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom’s captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Shortlisted for the Rathbones Folio Prize National Book Award Finalist • A superb novel that delicately unearths the myriad manifestations of extraordinary love between ordinary people, from "one of our most gifted writers" (Chicago Tribune) and the winner of the PEN/Malamud Award "A near perfect book, as deep as it is broad in its humaneness, comedy and wisdom." —The Washington Post *The Feast of Love* is just that—a sumptuous work of fiction about the thing that most distracts and delights us. In a re-imagined *Midsummer Night's Dream*, men and women speak of and desire their ideal mates; parents seek out their lost children; adult children try to come to terms with their own parents and, in some cases, find new ones. In vignettes both comic and sexy, the owner of a coffee shop recalls the day his first wife seemed to achieve a moment of simple perfection, while she remembers the women's softball game during which she was stricken by the beauty of the shortstop. A young couple spends hours at the coffee shop fueling the idea of their fierce love. A professor of philosophy, stopping by for a cup of coffee, makes a valiant attempt to explain what he knows to be the inexplicable workings of the human heart. Their voices resonate with each other—disparate people joined by the meanderings of love—and come together in a tapestry that depicts the most irresistible arena of life. Crafted with subtlety, grace, and power, *The Feast of Love* is a masterful novel. A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society’s failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. As followers of Jesus, we are called to draw ever closer to our Savior. One path to the Way of Love is through seven key actions: Turn. Learn. Pray. Worship. Bless. Go. Rest. Includes questions, journal prompts, a guide for a personal rule of life. Bookstore owner Aubrey Barnes likes his quiet, orderly London life, thank you very much. His shop may be struggling, his only employee is a menace, and his plumbing is one creaky pipe away from disaster, but he can handle it. Maybe. He cannot, however, handle the film company that’s thrown his Soho street into chaos. And he definitely can’t handle the charismatic American actor Blake Sinclair. Which is why he’s extremely reluctant to lease out his shop as a set for Blake's film, but it’s his one opportunity to save his business. Now he can’t get away from the distractingly hot actor. Then Aubrey finds himself alone with Blake in a trailer, and what happens next turns London’s heat wave into an inferno that leaves him breathless. Aubrey is not cut out for the high-profile life of dating a celebrity, especially an American actor who’s not even out yet. Good thing their tryst is absolutely not going anywhere. Of course, when you expect nothing, that’s exactly when it starts to mean everything. Amparo's deal with the talking cat was simple: a drop of blood and Amparo's name to become a better person. Their mother and abuela would never worry about them again, and they'd finally be worthy of dating straight-A student Iolanthe. But when the cat steals their body, becoming the better person they were promised, Amparo's spirit is imprisoned in a land of terrifying, flesh-hungry creatures known as Bright World. With cruel and manipulative masters and a society that feeds on memories, Amparo must use their cleverness to escape, without turning into a monster like the rest. On "the other side," Iolanthe begins to suspect the new Amparo has a secret, and after the cat in disguise vanishes, she's left searching for answers with a no-nonsense medium from the lesbian mafia and the only person who might know the truth about Bright World. The true story of a prominent psychiatrist, his young patient, and the past-life therapy that changed both their lives. As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the "space between lives," which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career. #1 NEW YORK TIMES BESTSELLER "[A] poetic reckoning of the importance of love in a child's life . . . eloquent and moving."—People "Everything that can be called love -- from shared joy to comfort in the darkness -- is gathered in the pages of this reassuring, refreshingly honest picture book."—The New York Times Book Review, Editors' Choice / Staff Picks From the Book Review "Lyrical and sensitive, 'Love' is the sort of book likely to leave readers of all ages a little tremulous, and brimming with feeling."—The Wall Street Journal From Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long comes a story about the strongest bond there is and the diverse and powerful ways it connects us all. "In the beginning there is light and two wide-eyed figures standing near the foot of your bed and the sound of their voices is love. ... A cab driver plays love softly on his radio while you bounce in back with the bumps of the city and everything smells new, and it smells like life." In this heartfelt celebration of love, Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long depict the many ways we experience this universal bond, which carries us from the day we are born throughout the years of our childhood and beyond. With a lyrical text that's soothing and inspiring, this tender tale is a needed comfort and a new classic that will resonate with readers of every age. Addresses the limits in treating pain psychoanalytically, and offers a phenomenological description of psychic pain, particularly the pain of a lost loved one. Nicholas Coughlan is twelve years old when his father, an Irish civil servant, announces that God has commanded him to become a painter. He abandons the family and a wife who is driven to despair. Years later, Nicholas's own civil-service career is disrupted by tragic news: his father has burned down the house, with all his paintings and himself in it. Isabel Gore is the daughter of a poet. She's a passionate girl, but her brother is the real prodigy, a musician. And yet this family, too, is struck by tragedy: a seizure leaves the boy mute and unable to play. Years later, Isabel will continue to somehow blame herself, casting off her own chances for happiness. And then, the day after Isabel's wedding to man she doesn't love, Nicholas arrives on her western isle, seeking his father's last surviving painting. Suddenly the winds of fortune begin to shift, sweeping both these souls up with them. Nicholas and Isabel, it seems, were always meant to meet. But it will take a series of chance events--and perhaps, a proper miracle--to convince both to follow their hearts to where they're meant to be. To know the Sweet Potato Queens is to love them, and if you haven't heard about them yet, you will. Since the early 1980s, this group of belles gone bad has been the toast of Jackson, Mississippi, with their glorious annual appearance in the St. Patrick's Day parade. In *The Sweet Potato Queens' Book of Love*, their royal ringleader, Jill Conner Browne, introduces the Queens to the world with this sly, hilarious manifesto about love, life, men, and the importance of being prepared. Chapters include: • The True Magic Words Guaranteed to Get Any Man to Do Your Bidding • The Five Men You Must Have in Your Life at All Times • Men Who May Need Killing, Quite Frankly • What to Eat When Tragedy Strikes, or Just for Entertainment • The Best Advice Ever Given in the Entire History of the World From tales of the infamous Sweet Potato Queens' Promise to the joys of Chocolate Stuff and Fat Mama's Knock You Naked Margaritas, this irreverent, shamelessly funny book is the gen-u-wine article. "Radical and revolutionary." —Jonny Sun, New York Times bestselling author of *Goodbye, Again* A collection of powerful interconnected essays and affirmations that follow Mimi Zhu’s journey toward embodying and re-learning

love after a violent romantic relationship, a stunning and provocative book that will guide and inspire readers to lean into love with softness. In their early twenties, Mimi Zhu was a survivor of intimate-partner abuse. This left them broken, in search of healing and ways to re-learn love. This work is a testament to the strength and adaptability all humans possess, a tribute to love. *Be Not Afraid of Love* explores the intersections of love and fear in self-esteem, friendship, family dynamics, and romantic relationships, and extends out to its effects on society and the greater political realm. In sharing their own intimate encounters with oppression, healing, joy, and community, Mimi invites readers to reflect deeply on their own experiences as well, with the intention of acting as a guide to undoing the hurt or uncertainty within them. In this heartrending and revolutionary book, Mimi reminds us, be not afraid of love. A beautiful, lyrical story about a girl who moves from her home in Central America to the United States, and everything she leaves behind and longs for—especially her Abuela—as she makes a new life. Rocio has grown up in Central America, but now she and her family are moving to the United States. Rocio does her best to adjust to a new way of living, but there are many things she misses from her old life—Abuela’s cooking, Abuela’s pinata creations, Abuela’s warm hugs, and of course, Abuela herself most of all. But Abuela finds a way to send Rocio something special just in time for her birthday—a gift wrapped with lots of love—and that fills Rocio to the brim. Starting in 1970, Jean Genet—petty thief, prostitute, modernist master—spent two years in the Palestinian refugee camps in Jordan. Always an outcast himself, Genet was drawn to this displaced people, an attraction that was to prove as complicated for him as it was enduring. *Prisoner of Love*, written some ten years later, when many of the men Genet had known had been killed, and he himself was dying, is a beautifully observed description of that time and those men as well as a reaffirmation of the author's commitment not only to the Palestinian revolution but to rebellion itself. For Genet's most overtly political book is also his most personal—the last step in the unrepentantly sacrilegious pilgrimage first recorded in *The Thief's Journal*, and a searching meditation, packed with visions, ruses, and contradictions, on such life-and-death issues as the politics of the image and the seductive and treacherous character of identity. Genet's final masterpiece is a lyrical and philosophical voyage to the bloody intersection of oppression, terror, and desire at the heart of the contemporary world. A brilliant and surprising investigation into why we date the way we do *The Color Of Love* reveals the power of racial hierarchies to infiltrate our most intimate relationships. Delving far deeper than previous sociologists have into the black Brazilian experience, Elizabeth Hordge-Freeman examines the relationship between racialization and the emotional life of a family. Based on interviews and a sixteen-month ethnography of ten working-class Brazilian families, this provocative work sheds light on how families simultaneously resist and reproduce racial hierarchies. Examining race and gender, Hordge-Freeman illustrates the privileges of whiteness by revealing how those with “blacker” features often experience material and emotional hardships. From parental ties, to sibling interactions, to extended family and romantic relationships, the chapters chart new territory by revealing the connection between proximity to whiteness and the distribution of affection within families. Hordge-Freeman also explores how black Brazilian families, particularly mothers, rely on diverse strategies that reproduce, negotiate, and resist racism. She frames efforts to modify racial features as sometimes reflecting internalized racism, and at other times as responding to material and emotional considerations. Contextualizing their strategies within broader narratives of the African diaspora, she examines how Salvador’s inhabitants perceive the history of the slave trade itself in a city that is referred to as the “blackest” in Brazil. She argues that racial hierarchies may orchestrate family relationships in ways that reflect and reproduce racial inequality, but black Brazilian families actively negotiate these hierarchies to assert their citizenship and humanity. In concise and distilled prose, Lemus presents a collection of still lifes, landscapes, and portraits of a challenging year that threatened all she loved most. “There are only a few words per page in *Particulate Matter*, but that doesn't actually matter. The words Felicia Luna Lemus does carefully choose serve to paint a brilliant picture of her marriage, of a Los Angeles covered in ash, of dashed hopes and new beginnings.” --Good Morning America “A love story that's profoundly rooted in the emotional, geographical, and sociopolitical terrain of today...Like song lyrics or snapshots, [Lemus's] wisps and fragments of language take on a coded and otherworldly atmosphere, one that conveys wonder and dread almost subliminally...*Particulate Matter* is a moving example of how to write about climate change, not didactically, but with the deep impact of both personal loss and literary elegance.” --NPR Books “A tiny, powerful flame of a book. Lemus’ writing lands like sparks and ash, fragmented and tinged with grief...*Particulate Matter* is...an exploration of the simultaneity of delight, yearning, grief and confusion of being in love with a person and a place. Of being alive at all.” --San Francisco Chronicle “Lemus has a particular talent for engaging the deepest and most complex parts of the self with the simplest turn of phrase. Detailing the toughest year of her life, she uncovers meaning in the ordinary and the terrifying.” --Ms. Magazine “What distinguishes Lemus's book...is how the nightmare lived by one California couple became, in the summer of 2020, the nightmare lived by much of the West Coast. This makes *Particulate Matter* not just a memoir but also an oracle, foreseeing the present as we repeat, en masse, a similar ordeal, separated from loved ones and watching the sky rain apocalyptic ash, telling ourselves, as Lemus does, ‘I almost believe this...will end someday.’” --Alta Magazine “An unforgettable meditation on [Felicia Luna Lemus’s] experiences...Lemus bears an unmatched precision of the craft. This succinct mic drop of a personal story begs to be read over and over again.” --Booklist “With playful and warm prose, Lemus takes readers into the most difficult year of her life and marriage. Set in Los Angeles, it chronicles her [spouse's] sudden and serious adult-onset asthma, and the literal and figurative fires that raged that year over their lives.” --Autostraddle “A [book] about finding beauty in the most challenging and terrifying times.” --Lambda Literary *Particulate Matter* is the story of a year in Felicia Luna Lemus's marriage when the world turned upside down. It's set in Los Angeles, and it's about love and crisis, loss and grief, the city and the ocean, ancestral ghosts and history haunting. Nature herself seemed to howl. Fires raged and covered the house Lemus and her spouse shared in ash. Everything crystallized. It was the most challenging and terrifying time she had ever experienced, and yet it was also a time when the sublime beauty of the everyday shone through with particular power and presence. “Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, *The New York Times Book Review* Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it’s easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime. A tender and wise ode to love, illustrated with an expertly curated selection of fine art for young children Art, like anything else, is only as meaningful and interesting as it is relatable. For toddlers and preschoolers, connecting their own experiences of love to those they see on the canvas allows them to truly engage with the material. 35 full-page artworks feature love in all its forms, accompanied by a brief and gentle read-aloud text. Each artwork's title and artist's name are included as secondary read-aloud text, for true integration of narrative and information. This stylishly compact art book is this first title in the *My Art Book* series, which suits lovey and artsy families alike! Ages 2-4 This major new work of channeled literature shows readers how to develop their own intuitive abilities and continues the program of self-development begun in Paul Selig's popular previous book, *I Am the Word*. In this bold, bracing, and tremendously practical new work of spiritual psychology, author and medium Paul Selig takes the channeled teachings begun in his acclaimed *I Am the Word* into dramatic new territory. In this fresh revelation, the invisible teachers who speak through Selig actually instruct readers on how to develop their own powers of intuition, clairvoyance, and inner knowing. *The Book of Love and Creation* simultaneously helps readers develop as spiritual beings within, while growing into increasingly capable, resilient, and confident individuals amid the demands of outer life. Filled with meditations, exercises, psychological insights, and affirmations, *The Book of Love and Creation* immediately produces change in the life of every dedicated person who approaches it. Perfect for returning readers and newcomers alike, the book is an extraordinary experience in a new body of channeled wisdom that is attracting readers across the world. The Buddha was a scientist. Instead of using a microscope or a particle accelerator,

the Buddha used ESP. He had several psychic powers that allowed him to perceive in detail the psychology of karma, the evolution of consciousness, and subatomic particles. He discovered love and self-love to be organizing principles that evolved early in the history of intelligent consciousness, especially with regard to feelings and emotions. Every person has the deepest need to love and be loved. He solved the mind-body problem by perceiving the physical basis of intelligent consciousness. These psychic powers are acknowledged in Hindu and Buddhist scriptures, but extremely few people have them. This book is essentially a meditation report written by someone who has them. While this sounds like an invitation to return this book to the shelf in a bookstore, it also documents in depth another report by a physicist, Stephen Phillips, who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society. This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist. A range of genres, rooted in local impulses, reaching global audiences; a main prop of commercial culture and an art form open to aspirants and fans from every background: About the vast and diverse topic of pop, scholars and critics, journalists and musicians have much to say, but rarely to each other. A crossover venture begun at Seattle's Experience Music Project, this book captures the academic and the critical, the musical and the literary in an impromptu dialogue that suggests the breadth and vitality of pop inquiry today. This Is Pop illustrates what can happen when the best of scholarship, criticism, and pop's inherent unruliness intersect. Robert Christgau and Gary Giddins, pivotal critics, encounter Simon Frith and Robert Walser, pioneers in the study of popular music. Luc Sante and Geoffrey O'Brien write about sound with the same prose elegance they apply to noir or New York streetlife. Musicians Carrie Brownstein and Sarah Dougher, both active in the riot grrl and rock scenes of the Pacific Northwest, examine how audience responses affect their craft. John Darnielle, of the Mountain Goats and the idiosyncratic zine Last Plane to Jakarta, attends to the web postings of hair metal fans. From film tracks to Merle Travis, from Ray Davies to rock infighting, from indie poetry to the Carly Simon Principle of pop sincerity, this book reflects the welter of ambition, style, and meaning that draw us to pop in the first place. The result is a collection as cluttered with treasures as a good music store. Learning the importance of love is as easy as A-B-C with this sweet board book that fosters social emotional development. A is for always--that's how long I'll love you for. B is for bear hug, to show I love you more. C is for cherish--looking after one another. D is for devoted--as we are to each other. Learn your ABCs while celebrating love with this irresistibly illustrated board book that's perfect for Valentine's Day and all year round! Learn to love and love to learn! Complete the series with ABCs of Kindness, 123s of Thankfulness, Happiness Is a Rainbow, and Friendship Is Forever! Celebrate love with this rhyming picture book featuring enchanting illustrations and poetic text! Love and the many ways one can show it are at the heart of this sweet, charming picture book. Whether it's giving someone a big hug, offering a helping hand, or sharing words of encouragement, it's these gestures that make the world a better place to live. Emma Randall's delicate and appealing illustrations accompany delightful verses in a timeless story perfect for reading aloud with loved ones. An exploration of human behavior examines the innate aspects of love, sex, and marriage, discussing flirting behavior, courting postures, the brain chemistry of attraction, divorce and adultery in societies around the world, and more. Reprint. What would happen if we could stroll through the revolutionary history of the 20th century and, without any fear of the possible responses, ask the main protagonists - from Lenin to Che Guevara, from Alexandra Kollontai to Ulrike Meinhof - seemingly naïve questions about love? Although all important political and social changes of the 20th century included heated debates on the role of love, it seems that in the 21st century of new technologies of the self (Grindr, Tinder, online dating, etc.) we are faced with a hyperinflation of sex, not love. By going back to the sexual revolution of the October Revolution and its subsequent repression, to Che's dilemma between love and revolutionary commitment and to the period of '68 (from communes to terrorism) and its commodification in late capitalism, the Croatian philosopher Srećko Horvat gives a possible answer to the question of why it is that the most radical revolutionaries like Lenin or Che were scared of the radicality of love. What is so radical about a seemingly conservative notion of love and why is it anything but conservative? This short book is a modest contribution to the current upheavals around the world - from Tahrir to Taksim, from Occupy Wall Street to Hong Kong, from Athens to Sarajevo - in which the question of love is curiously, surprisingly, absent. One of E! News' 13 Books to Read This September | One of Bookish's Debuts to Read in the Second Half of 2021 | One of Medium's Best Releases Out Today "Hazel Hayes writes with such honesty and casual confidence and flowing dialogue, you feel you are overhearing it rather than reading it. The writing sparkles with wit and a poignant emotional reality. I love it."—Matt Haig, bestselling author of *The Midnight Library* "A smart, touching, time-bending romance. Funny and affecting."—David Nicholls, bestselling author of *One Day* and *Sweet Sorrow* For anyone who has loved and lost, and lived to tell the tale, this gorgeously written debut is a love story told in reverse, a modern novel with the heart of a classic: truthful, tragic, and ultimately full of hope. *Out of Love* begins at the end. A couple call it quits after nearly five years, and while holding a box of her ex-boyfriend's belongings, the young woman wonders: How could they have spent so long together? When did they fall out of love? Were there good times before the bad? These are the questions we obsess over when a relationship ends, even when obsessing can do no good. But instead of moving forward through the emotional fallout of a break-up, *Out of Love* moves backward in time, weaving together an already unraveled tapestry, from tragic ending to magical first kiss. Each chapter jumps further into the past, mining their history for the days and details that might help us understand love; how it happens and why it sometimes falls apart. Readers of *Normal People*; *Goodbye, Vitamin*; and *One Day* will adore this bittersweet romance, a sparkling debut that you won't want to miss. The title of Dr. Harris' book suggests that life is like a two-sided coin: it can be an Ocean of Love but can also be a Sea of Troubles. The subtitle clarifies this paradox: first, there are many signs of God's reality and activity in the world, and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life. The "signs" of God are not philosophical "proofs" but empirical realities accessible to all people. In the second section, the biblical responses to suffering in the world are explored--through both Old and New Testaments. In the third section the writings of two modern apologists, C. S. Lewis and Philip Yancey, are assessed, and then finally there is a chapter of interviews with people who have known suffering in their lives. What does every couple want? A close, honest bond with their lover? Great communication and humor? Some romance? To feel loved, passionately, by their partner? A great sex life that keeps you both begging for more? The truth is that most couples aspire to have all of these vital components to loving relationships. But how do you get it and, more importantly, how do you keep your relationship fresh, vibrant, and sexy over the years? Expert sex and relationship therapist Dr. Laura Berman teaches couples how to become connected, communicative, stable, romantic, and sexually-satisfied, as well as how to plan for a happy, intimate, and fantasy-fueled future together. *The Book of Love* provides an even split of sex and relationship advice, with the first part of the book offering relationship advice and the second part giving sex advice and technique. Dip into the book to find out the best communication and listening approaches. Learn how to find time together, talk about your sexual needs, use arguments to strengthen your relationship, and flip ahead to find a new position for Friday night. Discover how to create romance, seduce your partner, and share fantasies. Learn which sex positions and techniques to try when you want to increase intimacy, build passion, or experiment with role play. Building on the *Real Sex for Real Women* formula, Dr. Berman's follow-up book has the same focus on practical content told in a warm, accessible tone. This time she speaks directly to both men and women, helping each to better understand and relate to their partner. *Pathologies of Love* examines the role of medicine in the debate on women, known as the *querelle des femmes*, in early modern France. Questions concerning women's physical makeup and its psychological and moral consequences played an integral role in the *querelle*. This debate on the status of women and their role in society began in the fifteenth century and continued through the sixteenth and, as many critics would say, well beyond. In *querelle* works early modern medicine, women's sexual difference, literary reception, and gendered language often merge. Literary authors perpetuated medical ideas such as the notion of allegedly fatal lovesickness, and physicians published works that included disquisitions on the moral nature of women. In *Pathologies of Love*, Judy Kem looks at the writings of Christine de Pizan, Jean Molinet, Symphorien Champier, Jean Lemaire de Belges, and Marguerite de Navarre, examining the role of received medical ideas in the *querelle des femmes*. She reconstructs how these authors interpreted the traditional courtly understanding of women's pity or mercy on a dying lover, their understanding of contemporary debates about women's supposed sexual insatiability and its biological effects on men's lives and fertility, and how erotomania or erotic melancholy was understood as a fatal illness. While the two women who frame this study defended women and based much of what they wrote on personal experience, the three men appealed to male authority and tradition in their writings.
