Ellis Island May 20 2020 More than 17 million immigrants came here-to the front door of America-from 1890 to 1915 in what has been called the largest mass migration in human history. In the shadow of the Statue of Liberty, Ellis Island is one of the nation's most important historical sites and is one of our most heavily visited national monuments. Its story is the story of our people and their struggles for freedom and dreams of a better life.

American Passage Dec 19 2022 "By bringing us the inspiring and

sometimes unsettling tales of Ellis Island, Vincent Cannato's American Passage helps us understand who we are as a nation." — Walter Isaacson The remarkable saga of America's landmark port of entry, from immigration post to deportation center to mythical icon. For most of New York's early history, Ellis Island had been an obscure little island that barely held itself above high tide. Today the small island stands alongside Plymouth Rock in our nation's founding mythology as the place where many of our ancestors first touched American soil. American Passage captures a time and a place unparalleled in American immigration and history, and articulates the dramatic and bittersweet accounts of the immigrants, officials, interpreters, and social reformers who all played an important role in Ellis Island's chronicle. In this sweeping, often heart-wrenching epic, Vincent J. Cannato reveals that the history of Ellis Island is ultimately the story of what it means to be an American.

Ellis Island Jun 20 2020 Ideal for today's young investigative reader, each A True Book includes lively sidebars, a glossary and index, plus a comprehensive "To Find Out More" section listing books, organizations, and Internet sites. A staple of library collections since the 1950s, the new A True Book series is the definitive nonfiction series for elementary school readers.

Journey to Ellis Island Jul 14 2022 This dramatic true story--told by the daughter of Russian immigrant Jehuda Weinstein--reveals the joys, fears, and eventual triumph of a family who realizes its dream. Full color.

If Your Name Was Changed at Ellis Island Sep 23 2020 A celebration of the great immigration movement through Ellis Island introduces readers to the children and families who entered America through there, in a study presented in a question-and-answer format. Reprint.

Statue of Liberty and Ellis Island Coloring Book Mar 10 2022 This educational coloring book details Liberty's rich and stirring history

and the immigration into America through Ellis Island. Forty-five illustrations feature complete captions and are based on historical paintings, wood engravings, and photographs.

Ellis Island May 12 2022 Delivers the history of Ellis Island from a small island in NY harbor, to the flagship of the U.S. Bureau of Immigration , to its present day function as a museum.

In the Shadow of Lady Liberty Feb 09 2022 "Explores immigrants' experiences at Ellis Island through the use of primary sources"--

The Last Days of Ellis Island Apr 11 2022 New York, November 3, 1954: The last immigration officer of Ellis Island looks back at 45 years as gatekeeper to America.

Ellis Island Aug 03 2021 Explore national symbols through which American values and principles are expressed. This book assists children in understanding the cultural importance of this icon, the history, and why it's associated with national identity.

Ellis Island Oct 05 2021 Traces the history of Ellis Island and immigration to America and describes the experiences of immigrants arriving in 1907.

Children of Ellis Island Nov 06 2021 Burdened with bundles and baskets, a million or more immigrant children passed through the often grim halls of Ellis Island. Having left behind their homes in Europe and other parts of the world, they made the voyage to America by steamer. Some came with parents or guardians. A few came as stowaways. But however they traveled, they found themselves a part of one of the grandest waves of human migration that the world has ever known. *Children of Ellis Island* explores this lost world and what it was like for an uprooted youngster at America's golden door. Highlights include the experience of being a detained child at Ellis Island—the schooling and games, the pastimes and amusements, the friendships, and the uneasiness caused by language barriers.

After Ellis Island Feb 26 2021 *After Ellis Island* is an unprecedented study of America's foreign-born population at a

critical juncture in immigration history. The new century had witnessed a tremendous surge in European immigration, and by 1910 immigrants and their children numbered nearly one third of the U.S. population. The census of that year drew from these newcomers a particularly rich trove of descriptive information, one from which the contributors to *After Ellis Island* draw to create an unmatched profile of American society in transition. Chapters written especially for this volume explore many aspects of the immigrants' lives, such as where they settled, the jobs they held, how long they remained in school, and whether or not they learned to speak English. More than a demographic catalog, *After Ellis Island* employs a wide range of comparisons among ethnic groups to probe whether differences in childbirth, child mortality, and education could be traced to cultural or environmental causes. Did differences in schooling levels diminish among groups in the same social and economic circumstances, or did they persist along ethnic lines? Did absorption into mainstream America—measured through duration of U.S. residence, neighborhood mingling, and ability to speak English—blur ethnic differences and increase chances for success? *After Ellis Island* also shows how immigrants eased the nation's transition from agriculture to manufacturing by providing essential industrial laborers. *After Ellis Island* offers a major assessment of ethnic diversity in early twentieth century American society. The questions it addresses about assimilation and employment among immigrants in 1910 acquire even greater significance as we observe a renewed surge of foreign arrivals. This volume will be valuable to sociologists and historians of immigration, to demographers and economists, and to all those interested in the relationship of ethnicity to opportunity.

[Ellis Island Interviews](#) Sep 04 2021 Presents first-hand accounts from the last surviving immigrants.

We Came Through Ellis Island Aug 23 2020 Follows a Jewish family as they leave Russia in 1893 and begin a new life in New

York City, where they find new challenges and opportunities on their way to becoming Americans.

Ellis Island Aug 15 2022 A dramatic, multi-vocal account of the personal agonies and ecstasies that played out within the walls of Ellis Island, as told by Poland's greatest living journalist. This is the people's history of Ellis Island--the people who passed through it, and the people who were turned away from it. From Annie Moore, the Irishwoman who was the first to be processed there, to Arne Peterssen, the Norwegian who was the last to be taken away from the island via the official ferry boat in 1954, Ellis Island weaves together the personal experiences of forgotten individuals with those who live on in history: Fiorello La Guardia, Lee Iacocca, and other American leaders whose paths led them to the Island for various reasons through the years. Award-winning journalist Ma?gorzata Szejnert draws on unpublished testimonies, memoirs, archival photographs, and correspondence from many internees and immigrants, including Russians, Italians, Jews, Japanese, Germans, and Poles. At the book's core is a trove of personal letters from immigrants to their loved ones back home--letters which were confiscated and never delivered, finally discovered in a basement in Warsaw. But also brought to life are the Ellis Island employees: the doctors, nurses, commissioners, interpreters, social care workers, and even chaperones, who controlled the fates of these émigrés--often basing their decisions on pseudo-scientific ideas about race, gender, and disability. Sometimes families were broken up, and new arrivals were detained and quarantined for days, weeks, or even months. All told, the island compound spent longer as an internment camp than as a migration way-point--in addition to filling other roles through the years, including that of rescue station in the immediate aftermath of the 9/11 attacks. Now brought back to life by a master storyteller, this is a story of a place and its people, steeped in politics and history, that reshaped the United States.

Ellis Island Dec 27 2020 *Includes pictures *Includes accounts of

Ellis Island written by immigrants *Includes online resources and a bibliography for further reading *Includes a table of contents "So, anyhow, we had to get off of the ship, and we were put on a tender, which took us across to Ellis Island. And when I saw Ellis Island, it's a great big place, I wondered what we were going to do in there. And we all had to get out of the tender, and then into this, and gather your bags in there, and the place was crowded with people and talking, and crying, people were crying. And we passed, go through some of the halls there, and tried to remember that the halls, big halls, big open spaces there, and there was bars, and there was people behind these bars, and they were talking different languages, and I was scared to death. I thought I was in jail." - Mary Mullins, an Irish immigrant

By the middle of the 19th century, New York City's population surpassed the unfathomable number of 1 million people, despite its obvious lack of space. This was mostly due to the fact that so many immigrants heading to America naturally landed in New York Harbor, well before the federal government set up an official immigration system on Ellis Island. At first, the city itself set up its own immigration registration center in Castle Garden near the site of the original Fort Amsterdam, and naturally, many of these immigrants, who were arriving with little more than the clothes on their back, didn't travel far and thus remained in New York. Of course, the addition of so many immigrants and others with less money put strains on the quality of life. Between 1862 and 1872, the number of tenements had risen from 12,000 to 20,000; the number of tenement residents grew from 380,000 to 600,000. One notorious tenement on the East River, Gotham Court, housed 700 people on a 20-by-200-foot lot. Another on the West Side was home, incredibly, to 3,000 residents, who made use of hundreds of privies dug into a fifteen-foot-wide inner court. Squalid, dark, crowded, and dangerous, tenement living created dreadful health and social conditions. It would take the efforts of reformers such as Jacob Riis, who documented the hellishness of tenements with shocking

photographs in *How the Other Half Lives*, to change the way such buildings were constructed. On New Year's Day 1892, a young Irish girl named Annie Moore stepped off the steamship Nevada and landed on a tiny island that once held a naval fort. As she made her way through the large building on that island, Annie was processed as the first immigrant to come to America through Ellis Island. Like so many immigrants before her, she and her family settled in an Irish neighborhood in the city, and she would live out the rest of her days there. Thanks to the opening of Ellis Island near the end of the 19th century, immigration into New York City exploded, and the city's population nearly doubled in a decade. By the 1900s, 2 million people considered themselves New Yorkers, and Ellis Island would be responsible not just for that but for much of the influx of immigrants into the nation as a whole over the next half a century. To this day, about a third of the Big Apple's population is comprised of immigrants today, making it one of the most diverse cities in the world. *Ellis Island: The History and Legacy of America's Most Famous Immigration Gateway* analyzes the history of Ellis Island and its integral impact on American history. Along with pictures of important people, places, and events, you will learn about Ellis Island like never before, in no time at all.

Gittel's Journey Jan 16 2020 Gittel and her mother were supposed to immigrate to America together, but when her mother is stopped by the health inspector, Gittel must make the journey alone. Her mother writes her cousin's address in New York on a piece of paper. However, when Gittel arrives at Ellis Island, she discovers the ink has run and the address is illegible! How will she find her family? Both a heart-wrenching and heartwarming story, *Gittel's Journey* offers a fresh perspective on the immigration journey to Ellis Island. The book includes an author's note explaining how Gittel's story is based on the journey to America taken by Lesléa Newman's grandmother and family friend.

Ellis Island Oct 13 2019 1 Copy

Ellis Island Nov 18 2022 Since opening in 1892, Ellis Island has come to symbolize the waves of immigrants from a list of countries that seems endless. In this work, Bial tells the story of Ellis Island itself. Full color.

At Ellis Island Feb 21 2023 The experiences of people coming to the United States from many different lands are conveyed in the words of a contemporary young girl visiting Ellis Island and of a girl who immigrated in about 1910, as well as by quotes from early twentieth century immigrants and Ellis Island officials.

What Was Ellis Island? Jun 13 2022 From 1892 to 1954, Ellis Island was the gateway to a new life in the United States for millions of immigrants. In later years, the island was deserted, the buildings decaying. Ellis Island was not restored until the 1980s, when Americans from all over the country donated more than \$150 million. It opened to the public once again in 1990 as a museum. Learn more about America's history, and perhaps even your own, through the story of one of the most popular landmarks in the country.

Ellis Island and the Peopling of America Nov 25 2020 Ellis Island has become an invaluable resource center on immigration and genealogy as well as a national tourist attraction, widely praised for its excellent displays and informative exhibits. Now, the best of the Ellis Island Museum is available to readers in this book that provides an exciting overview of the island, placing it in historical context with a concise history of immigration and global migration. Photos, charts, map, graphs & cartoons.

My Journey Through Ellis Island Jan 08 2022 Traveling to live in a new country can be terrifying, especially to a child. Leaving behind family, friends, and places you know and love is something everyone can relate to. In this book, readers board a boat with an immigrant child going to the United States for the first time. The first-person narration introduces readers to Ellis Island and the many immigrants coming to America during the late 1800s and early

1900s, including their reasons for doing so. Historical images and fact boxes add context to this important social studies topic.

The Ellis Island Snow Globe Jan 28 2021 In *The Ellis Island Snow Globe*, Erica Rand, author of the smart and entertaining book *Barbie's Queer Accessories*, takes readers on an unconventional tour of Ellis Island, the migration station turned heritage museum, and its neighbor, the Statue of Liberty. By pausing to reflect on what is and is not on display at these two iconic national monuments, Rand focuses attention on whose heritage is honored and whose obscured. She also reveals the shifting connections between sex, money, material products, and ideas of the nation in everything from the ostensible father-mother-child configuration on an Ellis Island golf ball purchased at the gift shop to the multi-million dollar July 4, 1986 Liberty Weekend extravaganza celebrating the Statue's centennial just days after the Supreme Court's un-Libertylike decision upholding the antisodomy laws challenged in *Bowers v. Hardwick*. Rand notes that portrayals of the Statue of Liberty as a beacon for immigrants tend to suppress the Statue's connections to people brought to this country by force. She examines what happened to migrants at Ellis Island whose bodies did not match the gender suggested by the clothing they wore. In light of contemporary ideas about safety and security, she examines the "Decide an Immigrant's Fate" program, which has visitors to Ellis Island act as a 1910 board of inspectors hearing the appeal of an immigrant about to be excluded from the country. Rand is a witty, insightful, and open-minded tour guide, able to synthesize numerous diverse ideas—about tourism, immigration history, sexuality, race, ethnicity, commodity culture, and global capitalism—and to candidly convey her delight in her Ellis Island snow globe. And pen. And lighter. And back scratcher. And golf ball. And glittery pink key chain.

Ellis Island Jul 22 2020 Describes the place of Ellis Island in American history, from its early history of being a landing place for

ships bearing millions of immigrants to its more recent status as a museum.

SIX WORDS FRESH OFF THE BOAT Jul 02 2021 Six Words Fresh Off the Boat marries the phenomenon of Larry Smith's successful Six-Word Memoirs with ABC and 20th Century Fox Television's hit comedy Fresh Off the Boat. The book captures hundreds of takes on the immigration experience, from every-day people as well as world-famous celebrities including Aziz Ansari, Chimamanda Ngozi Adichie, Julianne Moore, Mario Batali, George Takei, Neil Gaiman, Amanda Palmer, Billy Collins, Junot Díaz, and Dr. Sanjay Gupta. This book will have you thinking in sixes and challenging others to share six words about their lives.

Ellis Island Jan 20 2023 You choose which path you would take if you were an immigrant arriving at Ellis Island.

Immigration Through Ellis Island Oct 25 2020 In this book, early fluent readers will learn about the causes, main events, key players, and lasting impacts of immigration through Ellis Island. Interesting photos and carefully leveled text will engage young readers as they learn about this important part of American history. An infographic enhances understanding of immigration through Ellis Island, and What Do You Think? sidebars encourage deeper inquiry. A timeline highlights key events and dates. Immigration Through Ellis Island also features reading tips for teachers and parents, a table of contents, a glossary, and an index. Immigration Through Ellis Island is part of Jump 's Turning Points in U.S. History series.

An Ellis Island Time Capsule Apr 18 2020 The artifacts of Ellis Island tell the story of millions of immigrants who passed through its halls on their journey to a new life in the United States. A 1900 photograph of the Statue of Liberty, an antique stethoscope, and a jigsaw puzzle are some of the primary sources that can help students better understand the experience of journeying through Ellis Island in the early 1900s. Explore these and more in this Time Capsule History book!

Ellis Island Apr 30 2021 Combining poetic and inquisitive text with a wide array of lavish images, a tour of Ellis Island shares the experiences of men and women who passed through its portals when immigrating to the United States. Original.

Ellis Island, Statue of Liberty National Monument, New York-New Jersey Dec 07 2021

Ellis Island Nov 13 2019 Ce livre reprend le texte de Georges Perec publié dans une précédente édition illustrée en octobre 1994.

Description scrupuleuse de l'île par où transitèrent, de 1892 à 1924, tout près de la statue de la Liberté à New York, près de seize millions d'émigrants en provenance d'Europe, il permet, dans sa nudité, de comprendre l'importance qu'eut pour Georges Perec cette confrontation avec le lieu même de la dispersion, de la clôture, de l'errance et de l'espoir.

American Passage Oct 17 2022 For most of New York's early history, Ellis Island had been an obscure little island that barely held itself above high tide. Today the small island stands alongside Plymouth Rock in our nation's founding mythology as the place where many of our ancestors first touched American soil. Ellis Island's heyday—from 1892 to 1924—coincided with one of the greatest mass movements of individuals the world has ever seen, with some twelve million immigrants inspected at its gates. In *American Passage*, Vincent J. Cannato masterfully illuminates the story of Ellis Island from the days when it hosted pirate hangings witnessed by thousands of New Yorkers in the nineteenth century to the turn of the twentieth century when massive migrations sparked fierce debate and hopeful new immigrants often encountered corruption, harsh conditions, and political scheming. *American Passage* captures a time and a place unparalleled in American immigration and history, and articulates the dramatic and bittersweet accounts of the immigrants, officials, interpreters, and social reformers who all play an important role in Ellis Island's chronicle. Cannato traces the politics, prejudices, and ideologies that

surrounded the great immigration debate, to the shift from immigration to detention of aliens during World War II and the Cold War, all the way to the rebirth of the island as a national monument. Long after Ellis Island ceased to be the nation's preeminent immigrant inspection station, the debates that once swirled around it are still relevant to Americans a century later. In this sweeping, often heart-wrenching epic, Cannato reveals that the history of Ellis Island is ultimately the story of what it means to be an American.

From Ellis Island to JFK Feb 15 2020 In the history, the very personality, of New York City, few events loom larger than the wave of immigration at the turn of the last century. Today a similar influx of new immigrants is transforming the city again. Better than one in three New Yorkers is now an immigrant. From Ellis Island to JFK is the first in-depth study that compares these two huge social changes. A key contribution of this book is Nancy Foner's reassessment of the myths that have grown up around the earlier Jewish and Italian immigration—and that deeply color how today's Asian, Latin American, and Caribbean arrivals are seen. Topic by topic, she reveals the often surprising realities of both immigrations. For example:

- Education: Most Jews, despite the myth, were not exceptional students at first, while many immigrant children today do remarkably well.
- Jobs: Immigrants of both eras came with more skills than is popularly supposed. Some today come off the plane with advanced degrees and capital to start new businesses.
- Neighborhoods: Ethnic enclaves are still with us but they're no longer always slums—today's new immigrants are reviving many neighborhoods and some are moving to middle-class suburbs.
- Gender: For married women a century ago, immigration often, surprisingly, meant less opportunity to work outside the home. Today, it's just the opposite.
- Race: We see Jews and Italians as whites today, but to turn-of-the-century scholars they were members of different, alien races. Immigrants today appear more racially diverse—but some (particularly Asians) may be changing the

boundaries of current racial categories. Drawing on a wealth of historical and contemporary research and written in a lively and entertaining style, the book opens a new chapter in the study of immigration—and the story of the nation's gateway city.

Ellis Island Sep 16 2022 Explore the history of Ellis Island, one of the most recognized landmarks in American history. Kids will learn about its early history as a Mohegan island and rest spot for fishermen, through its time as a famous immigration station to today's museum.

Ellis Island Mar 18 2020 A basic introduction to the purposes and history of this great part of American immigration history.

Little Miss History Travels to Ellis Island Jun 01 2021 A journey begins with leaving one place and venturing forth toward a new one. Millions of immigrants left their homelands in the nineteenth and twentieth centuries to seek the promise of a better future in America. Why did they abandon their homeland? Some fled from political oppression or slavery, others sought work or the possibility of acquiring land to farm. Those who entered the Great Hall on Ellis Island did so with fear in their hearts and hope in their eyes. Come follow along and explore their dreams and experiences as they passed through the gates on Ellis Island. Perhaps you will see one of your ancestors reflected in their eyes. For most immigrants the end of their transatlantic voyage was a new beginning, for others it became "An Island of Tears."

Ellis Island Mar 30 2021 For millions of people, leaving home and coming to America meant giving up family and all things familiar. For more than sixty years, one site was the first place in America all new immigrants saw. Find out why Ellis Island holds such an important place in America's history.

A Brave New Mouse: Ellis Island Approved Immigrant Book 5 Dec 15 2019 Experience historic events through the eyes of Maximilian P. Mouse, Time Traveler! Max was hoping the fifth time would be the charm and he would land at home in 2013.

Unfortunately, the time machine still isn't working! Maximilian finds himself on the deck of a new ship in the year 1920. This one is also full of passengers, but these people are immigrants making their way to Ellis Island and a new life in New York City. Maximilian is amazed by the stories of the immigrants and entranced by the beauty of the Statue of Liberty welcoming them to their new home. But, he is concerned about a new crack in the time machine's shell. Will he ever get home to help his family save Tanner's Glen? Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-6.
