The Work of This Moment Aug 23 2020 In this collection of talks, essays, interviews, and letters, Toni Packer presents a simple and original approach to spiritual growth that is free from religious authority, doctrine, symbolism and ceremony.

Tyranny of the Moment Oct 13 2019 'Unapologetically top-down and confidently concise.' The Guardian. A fascinating study of the universal dilemma of the scarcity of time.

From This Moment On Nov 06 2021 From bestselling and award-winning country/pop star Shania Twain, an in-depth look at her hard-scrabble childhood and her rise to worldwide fame.

The Moment of Tenderness Nov 13 2019 Discover stories that inspire a "great capacity for wonder" (New York Times) from the beloved author of A Wrinkle in Time: named one of the spring's most anticipated books (Good Housekeeping), this collection transcends generational divides to highlight the power of hope and joy. This powerful collection of short stories traces an emotional arc inspired by Madeleine L'Engle's early life and career, from her lonely childhood in New York to her life as a mother in small-town Connecticut. In a selection of eighteen stories discovered by one of L'Engle's granddaughters, we see how L'Engle's personal experiences and abiding faith informed the creation of her many cherished works. Some of these stories have never been published; others were refashioned into scenes for her novels and memoirs. Almost all were written in the 1940s and '50s, from Madeleine's college years until just before the publication of A Wrinkle in Time. From realism to science-fiction to fantasy, there is something for everyone in this magical collection. In This Moment Jan 20 2023 In a single moment everything can change. Meg Pepper has a fulfilling career and a happy family. Most days she's able to keep it all together and glide through life. But then, in one unalterable moment, everything changes.

The Moment Mar 10 2022 An inspiring story of resilience and bravery by the woman who became the linchpin of the case to bring Bill Cosby to justice. Andrea Constand did the right thing, not just for herself, but for more than sixty other women. When Bill Cosby was convicted on three counts of aggravated indecent assault in 2018, the verdict sent shock waves around the globe. Some were outraged that a beloved icon of family values, the man dubbed "America's dad," had been accused, let alone convicted. Others were stunned because they had waited so long to see justice; in accusations going back decades, more than sixty women recounted how they'd been drugged, raped, and assaulted at Cosby's hands. Andrea Constand is just one of these women, but her case could still be criminally prosecuted. Constand's legal marathon required her to endure an excruciating civil suit, and two harrowing criminal trials. It was her deep sense of personal and social responsibility, fostered by her close-knit immigrant family and values earned through team sports, that gave her the courage to testify at the criminal trial--something she agreed to do not for herself, but for the more than sixty other women whose stories would never be told in court. Ultimately, Constand's testimony brought a powerful man to account. Cosby spent nearly three years in prison before his conviction was overturned on a procedural technicality in June 2021. In *The Moment*, Constand opens up about the emotional and spiritual work she did to recover from the assault and the psychological regimen she developed to strengthen herself. She also gained a new understanding of the resiliency of human spirit, and the affirming knowledge that stepping up and doing the right thing, even when the outcome is uncertain, is the surest path to true healing. From the woman who has been called "the true hero of #MeToo," *The Moment* is a memoir about the moment a life changes, as hers did when she was assaulted; about the moment, nearly a decade later, when she stood up for victims without a voice and put herself through an arduous criminal trial; and about the cultural moment, signified by the #MeToo movement, that made justice and accountability possible. A portion of the author's proceeds of *The Moment* will go to the Hope, Healing and Transformation foundation. https://hopehealing.ca

The End of the Moment We Had Jan 28 2021 Two brilliant, multi-layered stories from the winner of the Kenzaburo Oe Prize: part of our Japanese novella series, showcasing the best contemporary Japanese writing. On the eve of the Iraq War, a man and a woman meet in a nightclub in Tokyo. They go to a love hotel, and spend the next five days in a torrid affair.

Written in a stream of consciousness, with the reader's perceptions shifting and melting into one another, what is remarkable in this story is not what happens, but the ability of the writer to enter the minds and memories of the protagonists. In the second story, a woman living in a damp flat obsesses on the filthy state of her dwelling. She remains in bed for the duration of the narrative, but the drama and tension of her inner life - spiralling further and further into her memories and anxieties - keep the reader engrossed to the very end. *The End of the Moment We Had* demonstrates the fluidity and richness of this extraordinarily gifted writer's language and ideas.

Seize the Moment Feb 15 2020 "What is most striking about Mr. Nixon's charge to seize the moment, nearly all of which is sensible and sound, is the continuity of his counsel." —The New York Times "In Moscow, Khrushchev arrogantly predicted to me, 'Your grandchildren will live under communism.' I responded, 'Your grandchildren will live in freedom.' At the time, I was sure he was wrong, but I was not sure I was right. As a result of the new Soviet revolution, I proved to be right. Khrushchev's grandchildren now live in freedom." In this brilliantly timed book, Richard Nixon defines the challenges and opportunities facing America as the world's sole superpower. Only American leadership, he contends, can guide the turbulent post-Soviet Union toward freedom and prosperity and make the 21st century an American century. Forcefully dismissing the three prevailing post-Cold War myths about America—that "history has ended" with the defeat of communism, that military power had become irrelevant, and that America is a declining power—Nixon charts the course America must take in the future to seize this moment in history.

Girl of the Moment Sep 16 2022 Fifteen-year-old Lily learns a lot about herself when she spends the summer working as the intern of a spoiled and powerful Hollywood starlet.

You Were Made for This Moment Sep 23 2020 Are you weary? Worn out by the bills that keep stacking, a virus that keeps raging, or a heart that keeps aching? If so, the book of Esther brings welcome news: Relief will come! To be clear, you didn't ask for this struggle. You want to get past it. You don't know how much longer you can hold up. But what if God is with you in this difficult season? When life seems off the rails, remember this truth: the minute you bow your head to pray is the moment God lifts his hand to help. Queen Esther learned this truth firsthand. When confronted with a royal decree that would annihilate her people, she had to make some tough choices. Would she remain silent in the face of this challenge, or would she speak up? Would she blend in, or would she stand out? But after Esther spent three days in prayer and fasting, God gave her the courage to speak up. God used her to save the nation. And God can do the same with you. In *You Were Made for This Moment*, pastor and New York Times bestselling author Max Lucado will help you: put your hope in the God of grand reversals, trusting that God will right every wrong cultivate courage for your challenging times by leaning on the God who redeems and restores discover your role in God's story by exploring how God can use your experiences and circumstances to join him in his holy work God never promised us a life without trials, but he does promise to be with us as we walk through them. Trust that he can redeem your struggles for a mighty purpose. You, friend, were made for this moment.

This Moment on Earth Jul 22 2020 An inspiring celebration of courageous American innovators who are transforming the way we protect and care for the world we live in

Beyond This Moment Feb 26 2021 This book was inspired by conversations and questions I've had with students all over Australia. Conversations about all kinds of subjects in a variety of different contexts. Conversations with students just like you.Each one of these conversations reflects a moment of choice in the life of a student—a decision that student had to make at one time or another.You see, life is full of moments. Every day is full of moments.Some we expect, and some we don't.Some that generate joy, celebration and satisfaction, and some that reflect pain, confusion and grief.The fact is, moments matter. And how we respond and navigate our way through those moments is important because it influences what happens next.As you continue to grow up, there will be moments that are inescapable. My hope is that this book will give you the practical tools to know what to do when these moments arrive.

Squeeze the Moment Nov 25 2020 Every day is filled with opportunities to seize joy. Yet true joy cannot be forced. It springs from the hearts of those who are content, grateful, and at peace with themselves, with others, and with God. Though trials and challenges are a part of every life, joy can be developed, cultivated, and then practiced on a daily basis. Karen O'Connor offers seven keys to finding true joy in *Squeeze the Moment*. Learn how to look at life in a fresh way, full of gratitude to God, and to squeeze the moments--the happy ones, the tragic ones, the predictable ones, and the unexpected ones--for all they're worth.

The Moment of Change Mar 30 2021 This book is a systematic history of one of the oldest problems in the philosophy of space and time: How is the change from one state to its opposite to be described? To my knowledge it is the first comprehensive book providing information about and analysis of texts on this topic throughout the ages. The target audience I envisaged are advanced students and scholars of analytic philosophy and the history of philosophy who are interested in the philosophy of space and time. Authors treated in this book range from Plato, Aristotle, the logicians of the late Middle Ages, Kant, Brentano and Russell to contemporary authors such as Chisholm, Hamblin, Sorabji or Graham Priest, taking into account such theories as interval semantics or paraconsistent logic. For the first time, two main questions about the moment of change are explicitly kept apart: Which (if any) of the opposite states does the moment of change belong to? And does it contain an instantaneous event? The texts are discussed within a clear framework of the main systematic options for describing the moment of change, sometimes using predicate logic extended by newly introduced logical prefixes. The last part contains a new suggestion of how to solve the problem of the moment of change. It is centred around a theory of instantaneous states which provides a new solution to Zeno's Flying Arrow Paradox.

A Moment in the Sun Jun 20 2020 It's 1897. Gold has been discovered in the Yukon. New York is under the sway of Hearst and Pulitzer. And in a few months, an American battleship will explode in a Cuban harbor, plunging the U.S. into war. Spanning five years and half a dozen countries, this is the unforgettable story of that extraordinary moment: the turn of the twentieth century, as seen by one of the greatest storytellers of our time. Shot through with a lyrical intensity and stunning detail that recall Doctorow and Deadwood both, *A Moment in the Sun* takes the whole era in its sights—from the white-racist coup in Wilmington, North Carolina to the bloody dawn of U.S. interventionism in the Philippines. Beginning with Hod Brackenridge searching for his fortune in the North, and hurtling forward on the voices of a breathtaking range of men and women—Royal Scott, an African American infantryman whose life outside the military has been destroyed; Diosdado Concepción, a Filipino insurgent fighting against his country's new colonizers; and more than a dozen others, Mark Twain and President McKinley's assassin among them—this is a story as big as its subject: history rediscovered through the lives of the people who made it happen.

The Moment Dec 15 2019 Modern philosophical thought has a manifold tradition of emphasising 'the moment'. 'The moment' demands questioning all-too-common notions of time, of past, present and future, uniqueness and repetition, rupture and continuity. This collection addresses the key questions posed by 'the moment', considering writers such as Nietzsche, Husserl, Benjamin and Badiou, and elucidates the connections between social theory, philosophy, literary theory and history that are opened up by this notion.

The Moment Before Aug 03 2021 "Don't get me wrong. I loved my sister. I never, not once, wished her dead." Brady and Sabine Wilson are sisters born eleven months apart, but they couldn't be more different. Popular Sabine, the head cheerleader dating the high school hunk, seems to have all the luck, while her younger, artsy sister "Brady Brooder" is a loner who prefers the sidelines to the limelight. After Sabine dies in a horrific cheerleading accident, grief unravels Brady and her family. Once recognized for her artistic talent, 17-year-old Brady finds herself questioning the value of everything she once held dear. Her best friend betrays her. Her parents' marriage is crumbling. And the boy everyone blames for the accident seems to be her only ally in the search for answers in the wake of her sister's death. As an unlikely friendship emerges, Brady learns more about Sabine—and love—than she bargained for.

The Reagan Moment Mar 18 2020 In *The Reagan Moment*, the ideas, events, strategies, trends, and movements that shaped the 1980s are revealed to have had lasting effects on international relations: The United States went from a creditor to a debtor nation; democracy crested in East Asia and returned to Latin America; the People's Republic of China moved to privatize, decentralize, and open its economy; Osama bin Laden founded Al Qaeda; and relations between Washington and Moscow thawed en route to the Soviet Union's dissolution. The Reagan Moment places US foreign relations into global context by examining the economic, international, and ideational relationships that bound Washington to the wider world. Editors Jonathan R. Hunt and Simon Miles bring together a cohort of scholars with fresh insights from untapped and declassified global sources to recast Reagan's pivotal years in power. Contributors: Seth Anziska, James Cameron, Elizabeth Charles, Susan Colbourn, Michael De Groot, Stephanie Freeman, Christopher Fuller, Flavia Gasbarri, Mathias Haeussler, William Inboden, Mark Atwood Lawrence, Elisabeth Mariko Leake, Melvyn P. Leffler, Evan D. McCormick, Jennifer Miller, David Painter, Robert Rakove, William Michael Schmidli, Sarah Snyder, Lauren Frances Turek, James Wilson

From This Moment Dec 27 2020 It was like seeing a ghost. When my late husband's twin brother moves back to our small town, I want to avoid him. Everything about Wes reminds me of the man I lost and the life we'd planned together, and after eighteen long months struggling just to get out of bed, I'm finally doing okay. I have a new job, an amazing support group, and a beautiful five-year-old daughter to parent. I don't want to go backward. But I'm drawn to him, too. He understands my grief and anger and guilt like no one else-and I understand his. Before long, that understanding becomes desire, and that desire becomes uncontrollable. He says he doesn't care what people think, and love can never be wrong. But life has taught me its cruelest lesson--love doesn't always win. If only my heart would believe it.

The Moment Jan 16 2020 *The Moment*: seventy-five practices and praxises for individuals and communities living every moment as *The Moment* taking church out of the past and into the present out of sanctuaries and into homes, bars, and lives for worship anywhere, anytime, and with anyone everytime, everywhere, and with everyone encountering God at any moment. *Breathing in the Moment (Printed Songbook)* Jun 13 2022 Solo Piano Sheet Music SongbookFormat: PrintedBinding: Spiral boundPaper: Heavier stock for easy turningReleased: ©2012Includes:?All 15 songs from the matching album.?Table of contents?Information pageDifficulty Level: Songs range from Advanced Beginner to Advanced?2 Advanced Beginner Songs?3 Intermediate Songs?8 Advanced Intermediate Songs?2 Advanced Song

In This Moment Oct 17 2022 From #1 New York Times bestselling author Karen Kingsbury comes an inspiring Baxter Family novel about a beloved high school principal who starts a Bible Study to improve the lives of his struggling students, only to become the national focus of a controversial lawsuit. Hamilton High Principal Wendell Quinn wants to see real change in his community, so he starts a voluntary after-school Bible Study and prayer program called Raise the Bar. He knows he is risking his job by leading the program, but before long, Raise the Bar meetings are standing room only. A year later, violence and gang activity are sharply down, test scores are up, and drug use and teen pregnancy have plummeted. The program is clearly working—until one parent files a lawsuit, claiming Wendell has violated his daughter's rights. But Principal Quinn knows God is on his side, and he refuses to back down. As he prepares for court, he is deluged by a storm of national attention and criticism. He wants just one attorney on his side in the fight of his life—Luke Baxter. A timely and nuanced exploration of religious freedom and what it means to be a person of faith in today's culture, *In This Moment* will satisfy Kingsbury fans, old and new.

My Moment Oct 25 2020 A collection of essays accompanied by beautiful black-and-white photography from a diverse group of women on the moment they realized they were ready to fight for themselves—including Gloria Steinem, Lena Waithe, Joanna Gaines, Brandi Carlile, Beanie Feldstein, Cynthia Erivo, and Billie Jean King, among others. This powerful essay collection is a natural extension of the #MeToo movement, revealing the interior experience of women after they've inevitably been underestimated or hurt—the epiphany that the world is different than they thought it to be—and how they've used this knowledge to make change. In *My Moment*, Gloria Steinem tells the story of how a meeting with writer Terry Southern drew blood. Carol Burnett shares how CBS discouraged her from pursuing *The Carol Burnett Show*, because comedy variety shows were “a man’s game.” Joanna Gaines reveals how coming to New York City as a young woman helped her embrace her Korean heritage after enduring racist bullying as a child. Author Maggie Smith details a career crossroads when her boss declined her request to work from home after the birth of her daughter, leading her to quit and never look back. Over and over again, when told “no” these women said “yes” to themselves. This hugely inspiring, beautiful book will move people of all ages and make them feel less alone. More than the sum of its parts, *My Moment* is also a handbook for young women (or any woman) making their way through the world.

The Beauty of the Moment Apr 11 2022 Susan is the new girl—she's sharp and driven, and strives to meet her parents' expectations of excellence. Malcolm is the bad boy—he started raising hell at age fifteen, after his mom died of cancer, and has had a reputation ever since. Susan's parents are on the verge of divorce. Malcolm's dad is a known adulterer. Susan hasn't told anyone, but she wants to be an artist. Malcolm doesn't know what he wants—until he meets her. Love is messy and families are messier, but in spite of their burdens, Susan and Malcolm fall for each other. The ways they drift apart and come back together are testaments to family, culture, and being true to who you are.

The Moment Oct 05 2021 From the creators of *Six-Word Memoirs* comes *The Moment*, a collection of personal stories from writers both famous and obscure revealing how a single instant changed their lives forever. An innocuous decision, an unforeseen accident, a chance conversation, a tag sale, a terrorist strike, a tweet . . . sometimes all it takes is a single moment to redirect the course of an entire life. In the tradition of *Smith magazine's Not Quite What I Was Planning* and the sensational *Six-Word Memoirs on Love & Heartbreak*—and in the spirit of *StoryCorps*, the *Moth*, and *This American Life*—*The Moment* unveils everyday people's inner lives in narratives of all shapes and sizes, with stories from six to 1,000 words, photographs, comics, illustrations, handwritten letters, and more. It's enough to change your life forever.

The Moment Sep 04 2021 Thomas Nesbitt is a divorced American writer in the midst of a rueful middle age. Living a very private life in Maine - in touch only with his daughter and still trying to reconcile himself to the end of a long marriage that he knew was flawed from the outset - he finds his solitude disrupted by the arrival, one wintry morning, of a box postmarked Berlin. The return address on the box - Dussmann - unsettles him completely. For it is the name of the woman with whom he had an intense love affair twenty-six years ago in Berlin - at a time when the city was cleaved in two, and personal and political allegiances were haunted by the deep shadows of the Cold War. Refusing initially to confront what he might find in that box, Thomas nevertheless finds himself forced to grapple with a past he has never discussed with any living person - and in the process relive those months in Berlin, when he discovered, for the first and only time in his life, the full, extraordinary force of true love. But Petra Dussmann - the woman to whom he lost his heart - was not just a refugee from a police state, but also someone who lived with an ongoing sorrow beyond dreams... and one which gradually rewrote both their destinies. In this, his tenth novel, Douglas Kennedy has written that rare thing: a love story as morally complex as it is tragic and deeply reflective. Brilliantly gripping, it is an atmospherically dense, ethically tangled tale of romantic certainty and conflicting loyalties, all set amidst a stunningly rendered portrait of Berlin in the final dark years before The Wall came down. Like all of Kennedy's previous, critically acclaimed bestselling novels, *The Moment* is both unputdownable and profound. Posing so many searching questions about why and how we fall in love - and the tangled way we project on to others that which our

hearts seek - it is a love story of great epic sweep and immense emotional power.

Own The Moment Jul 14 2022 This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don’t envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references The Walking Dead and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn’t care less about church to leading one of the country’s fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player’s Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.

After We Fall Feb 09 2022 Jack Valentini isn’t my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he’s also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn’t afraid to say so. But I’ve got a PR job to do for his family’s farm, so he’s stuck with me and I’m stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there’s a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I’ve never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn’t think he deserves a second chance at happiness. But he’s wrong. I don’t need to be his first love. If only he’d let me be his last.

Love Story Apr 30 2021 The instant New York Times bestseller featuring everyone’s favorite family—the Baxters—in a deeply emotional novel “faithful fans will no doubt relish” (Publishers Weekly). When John Baxter is asked to relive his long-ago love story with his wife Elizabeth for his grandson Cole’s heritage school project, he’s not sure he can do it. The sadness might simply be too great—after a storybook romance that lasted almost thirty years, beginning when the two were in college, Elizabeth tragically died of cancer. But John can’t say no to his grandson and in the process of telling his love story, he finally allows his heart and soul to go places they haven’t gone in decades. Back to the breathless first moments, but also to the secret heartbreak that brought John and Elizabeth together... Cole’s report on his grandparents touches the hearts of the entire family—and causes Cole to better understand his own beginning. Whether you’re meeting the Baxter family for the first time or finding them all over again, *Love Story* will stir your heart and remind you of the generational impact of love and the eternal bond of family.

In This Moment Daily Meditation Book Dec 07 2021 Meditations for each day of the year with index.

Holy in the Moment Jan 08 2022 Enjoying life (*zoe*) in Christ comes in the choices we make moment-by-moment. Transparently sharing her struggles with anxiety, fear, and insecurity, Ginger Harrington invites women to discover how intentional choices made in the moment can become holy habits that open the door to healing and freedom. With a refreshing perspective, she shows that holiness isn’t a rigid standard to keep but a gift to receive through a vital relationship with God, who makes us whole. *Holy in the Moment* explores the practical power of choices to grow in holiness without the pressure of perfectionism. Through gentle encouragement, biblical insights, and applicable ideas learn to discern feelings and overcome distractions and shame, adapt God’s equation for obedience, live a praying life, discover methods for practicing holiness in parenting and the importance of rest, embrace biblical love and forgiveness, and understand how work becomes holy. Find healing and wholeness with simple choices to love God, embrace truth, and enjoy every moment of life with practical ways to be holy by choosing to trust God, rely on his wisdom, and live from his resources.

The Men and the Moment Apr 18 2020 The presidential election of 1968 forever changed American politics. In this character-driven narrative history, Aram Goudsouzian portrays the key transformations that played out over that dramatic year. It was the last "Old Politics" campaign, where political machines and party bosses determined the major nominees, even as the "New Politics" of grassroots participation powered primary elections. It was an election that showed how candidates from both the Left and Right could seize on "hot-button" issues to alter the larger political dynamic. It showcased the power of television to "package" politicians and political ideas, and it played out against an extraordinary dramatic global tableau of chaos and conflict. More than anything else, it was a moment decided by a contest of political personalities, as a group of men battled for the presidency, with momentous implications for the nation’s future. Well-paced, accessible, and engagingly written, Goudsouzian’s book chronicles anew the characters and events of the 1968 campaign as an essential moment in American history, one with clear resonance in our contemporary political moment.

Live In The Moment Dec 19 2022 Fresh, funny, and blatantly honest, *Live in the Moment* holds the secret to harnessing the power of the present. A practical book about creating one’s own life experiences, author Julie Clark Robinson’s words of inspiration will help you to create your own mental treasure chest. *Live in the Moment* is for those times when we simply need to stop allowing life’s ups and downs to dictate how we feel and look to ourselves to set the tone. If you’re willing to lighten up one minute, dig deep the next, and be painstakingly honest throughout, you will come away with a revitalized outlook on life.

The Moment Between May 20 2020 Abigail Bennett was completely in control of her life until tragedy pushed her to the brink of something she’s never experienced: Obsession. Now she’s given up everything she’s ever worked for to chase down the object of that obsession. His name is Tyler Kamp. As Abigail follows him across the border into Canada, her journey is awash in memories of family and childhood, especially those of her younger sister Hailey. Even as Abigail races into her future, her past pulls her back. Only when she is brought to the edge of her obsession will she be able to come to terms with the tragedy that ignited it.

The Power of Moments May 12 2022 The New York Times bestselling authors of *Switch* and *Made to Stick* explore why certain brief experiences can jolt us and elevate us and change us—and how we can learn to create such extraordinary moments in our life and work. While human lives are endlessly variable, our most memorable positive moments are dominated by four elements: elevation, insight, pride, and connection. If we embrace these elements, we can conjure more moments that matter. What if a teacher could design a lesson that he knew his students would remember twenty years later? What if a manager knew how to create an experience that would delight customers? What if you had a better sense of how to create memories that matter for your children? This book delves into some fascinating mysteries of experience: Why we tend to remember the best or worst moment of an experience, as well as the last moment, and forget the rest. Why “we feel most comfortable when things are certain, but we feel most alive when they’re not.” And why our most cherished memories are clustered into a brief period during our youth. Readers discover how brief experiences can change lives, such as the experiment in which two strangers meet in a room, and forty-five minutes later, they leave as best friends. (What happens in that time?) Or the tale of the world’s youngest female billionaire, who credits her resilience to something her father asked the family at the dinner table. (What was that simple question?) Many of the defining moments in our lives are the result of accident or luck—but why would we leave our most meaningful, memorable moments to chance when we can create them? *The Power of Moments* shows us how to be the author of richer experiences.

The Moment of Lift Jun 01 2021 NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” — President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” — Brené Brown, Ph.D., author of the New York Times #1 bestseller *Dare to Lead* “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” — Malala Yousafzai “Melinda Gates’s book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms.” — Tara Westover, author of the New York Times #1 bestseller *Educated* A debut from Melinda Gates, a timely and necessary call to action for women’s empowerment. “How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

Music in the Moment Aug 15 2022 What is required for a listener to understand a piece of music? Does aural understanding depend upon reflective awareness of musical architecture or large-scale musical structure? Jerrold Levinson thinks not. In contrast to what is commonly assumed, Levinson argues that basic understanding of music only requires properly grounded, present-focused attention, and that virtually everything in the comprehension of extended pieces of music that suggests explicit architectonic awareness can be explained without positing conscious grasp of relationships across broad spans. Levinson rejects the notion that keeping music’s large-scale form before the mind is somehow essential to fundamental understanding of it. As evidence, he describes in detail the experience of listening to a wide range of music. He defends, with some qualifications, the views of nineteenth-century musician and psychologist Edmund Gurney, author of *The Power of Sound*, who argued that musical comprehension requires only attention to the evolution of music from moment to moment. Music theory standardly misapprehends the experience and mindset of most who know and love classical music, concludes Levinson. His book is a defense of the passionate and attentive, though architectonically unconcerned, music listener.

In a Moment Feb 21 2023 Adam and Emma are a couple being torn apart by their past. Their relationship is only held together by a thread. As their marriage disintegrates around them, Adam tries desperately to salvage it, while Emma avoids him. But what brought them to this point?

The Moment Jul 02 2021 From the New York Times bestselling author of *Leaving the World* comes a tragic love story set in Cold War Berlin. Thomas Nesbitt is a divorced writer in the midst of a rueful middle age. Living a very private life in Maine, in touch only with his daughter and still trying to recover from the end of a long marriage, his solitude is disrupted one wintry morning by the arrival of a box that is postmarked Berlin. The name on the box—Dussmann—unsettles him completely, for it belongs to the woman with whom he had an intense love affair twenty-six years ago in Berlin at a time when the city was cleaved in two and personal and political allegiances were frequently haunted by the deep shadows of the Cold War. Refusing initially to confront what he might find in that box, Thomas nevertheless is forced to grapple with a past he has never discussed with any living person and in the process relive those months in Berlin when he discovered, for the first and only time in his life, the full, extraordinary force of true love. But Petra Dussmann, the woman to whom he lost his heart, was not just a refugee from a police state, but also someone who lived with an ongoing sorrow that gradually rewrote both their destinies. A love story of great epic sweep and immense emotional power, *The Moment* explores why and how we fall in love—and the way we project on to others that which our hearts so desperately seek.

The Moment Problem Nov 18 2022 This advanced textbook provides a comprehensive and unified account of the moment problem. It covers the classical one-dimensional theory and its multidimensional generalization, including modern methods and recent developments. In both the one-dimensional and multidimensional cases, the full and truncated moment problems are carefully treated separately. Fundamental concepts, results and methods are developed in detail and accompanied by numerous examples and exercises. Particular attention is given to powerful modern techniques such as real algebraic geometry and Hilbert space operators. A wide range of important aspects are covered, including the Nevanlinna parametrization for indeterminate moment problems, canonical and principal measures for truncated moment problems, the interplay between Positivstellensätze and moment problems on semi-algebraic sets, the fibre theorem, multidimensional determinacy theory, operator-theoretic approaches, and the existence theory and important special topics of multidimensional truncated moment problems. The Moment Problem will be particularly useful to graduate students and researchers working on moment problems, functional analysis, complex analysis, harmonic analysis, real algebraic geometry, polynomial optimization, or systems theory. With notes providing useful background information and exercises of varying difficulty illustrating the theory, this book will also serve as a reference on the subject and can be used for self-study.
